By signing above, I authorize HRCU to extend the due date of my final loan payment one month beyond the original maturity date for each month skipped. The \$25 non-refundable processing fee per loan per month will be deducted from the account selected above unless payment is enclosed. I further understand that interest will continue to accrue at the contract rate including the month(s) I have chosen to skip. This payment deferral and the processing fee will result in an extension of the maturity date and will increase the APR and Finance Charges disclosed on the original promissory note. If I have elected GAP Insurance, I understand my use of the Skip A Payment Program could prevent me from receiving benefits under my GAP Waiver if the number of skipped payments I use exceeds the amount allowed under my GAP Waiver. Skipped payments do not extend the term of any credit insurance policy I may have obtained through HRCU as part of my loan.
